

An interesting group of sub-debs. at the Whitemarsh races, Philadelphia. Left to right, they are Frances Edel, Louise Rock, Mildred McCloskey and Kitty Kolb. U. & U.

Photographed just before they were killed. Sir Ross Smith, at left, and Sergeant Bennett, at the right, who were killed in this airplane at Brooklands, England, last week shortly after this photo was taken. They were to have attempted a flight around the world. The man in the center is R. K. Pierson, who designed the plane.

The two principal members of the Russian delegation at Genoa, Tchitcherine, at the left, and Litvinoff, photographed in their apartments in the Italian city. Int'l.

The Majestic, formerly the German Bismarck, largest ship in the world, just coming into her dock at Southampton from Hamburg, where she was given over to England by Germany. She will arrive at New York in May on her maiden voyage.

THE SPIRIT OF SUMMER SPORTS
SWAYS FASHION TO MODES LIKE THESE

THE color and design of these costumes match the play spirit of summer and dress their wearers with the correctness, comfort and individuality one associates with sport clothes of the best type.

In addition, every one of these values is an unusual money-saving opportunity.
